

COMPREHENSIVE SAFETY PLAN

The Governing Board recognizes that students and staff have the right to a safe and secure campus where they are free from physical and psychological harm. The Board is fully committed to maximizing school safety and to creating a positive learning environment that includes strategies for violence prevention and high expectations for student conduct, responsible behavior and respect for others.

The Superintendent or designee shall oversee the development of a districtwide comprehensive safety plan that is applicable to each school site. (Education Code [32281](#))

The comprehensive safety plan shall be reviewed and updated by March 1 of each year and forwarded to the Board for approval. (Education Code [32286](#), [32288](#))

By October 15 of each year, the Superintendent or designee shall notify the California Department of Education of any schools that have not complied with the requirements of Education Code [32281](#). (Education Code [32288](#))

Tactical Response Plan

Notwithstanding the process described above, any portion of a comprehensive safety plan that addresses tactical responses to criminal incidents that may result in death or serious bodily injury at the school site, including steps to be taken to safeguard students and staff, secure the affected school premises, and apprehend the criminal perpetrator(s), shall be developed by District administrators in accordance with Education Code 32281. In developing such strategies, District administrators shall consult with law enforcement officials and with representative(s) of employee bargaining unit(s), if they choose to participate.

When reviewing the tactical response plan, the Board may meet in closed session to confer with law enforcement officials, provided that any vote to approve the tactical response plan is announced in open session following the closed session. (Education Code 32281)

Access to Safety Plan(s)

The Superintendent or designee shall ensure that an updated file of all safety-related plans and materials is readily available for inspection by the public. (Education Code [32282](#))

However, those portions of the comprehensive safety plan that include tactical responses to criminal incidents shall not be publicly disclosed.

The Superintendent or designee shall share the comprehensive safety plans and any updates to the plans with local law enforcement, the local fire department, and other first responder entities. (Education Code [32281](#))
