

These are the following changes that will be occurring to the routes beginning Tuesday, October 11, 2022. Please make sure you check the routes closely as some times may have changed at specific stops.

Pine Canyon Stops – All Pine Canyon Road, Manzanita & Wildwood Way stops will need to be dropped off and picked up at Mesa/Manzanita just prior to the Cal Water storage area on Mesa. The bus needs to be able to pull up to the stop and turn around to leave safely so please park accordingly to allow space. Please make sure your students are closer to the water. **Please see attached map.**

Belmont Heights pick up and drop off will be on the Pine Canyon Road side of the gate. Please make sure you have your student(s) at the stop 5 minutes prior to the bus's scheduled arrival time.

Las Palmas 1 – All stops on the Corey House side of the development must be brought either to the stop at Las Palmas Road and River Run Road. Please remind your student(s) that the bus must stop 12 feet from where the students are lined up and waiting. Bus drop off will be at the same locations. **Please see attached map.**

Ranchito/Ranchito Del Rio and the Tara side of Ranchito (PM ONLY) need to be picked up at the stop on Tara (Across from the Fieldcrest gate)

Forest Song/Sunridge In the mornings students who get on the bus at Forest Song/Sunridge stop need to be transported to Buena Vista Middle School no later than 8:00 am to catch the bus to Spreckels school. These students will be placed on either Bus 2 or Bus 13. All students who currently get on Bus #2 from Buena Vista to SES need to continue to get on that Bus. There will be no "bus swapping". Whichever bus they ride on is the one they will ride on a daily basis unless otherwise directed by a bus driver. **In the afternoons, there will only be one stop. There will no longer be an additional stop at Jasmine Court. If your student requires an adult to walk them home please make arrangements to be there to get them from the bus.**

East Garrison and 50 Davis must be picked up and dropped off at the 266 Hitchcock Road stop. Parents must be at the stop by 3:30 pm on a regular school day and 1:50 pm on early release days. Times may be adjusted once we figure out timing better.

Please remember, all students should be at their designated stop 5 minutes prior to the bus's arrival. Due to time schedules and number of students we will be transporting we also ask that you are at the stop waiting for your student(s) prior to the bus's arrival for drop off in the afternoon. The drivers will not have time to wait for any length of time for parents to get to the stop. If the person who picks up from a stop is not the student will be taken back to a school site or the district office.

Afternoon drop off times can vary so any time that may be given is a "guesstimate". Many things can cause a bus to be earlier or later. Oftentimes in the afternoon, there are less students riding prior to your students' stop and it could cause the driver to be earlier. The driver could be later based on traffic at the school sites or on the road.
